ABOUT ME

I am a UX/UI Designer based in Barcelona, Spain.

I am a creator with a strategic and entrepreneurial mind focused on User Experience and Front end frameworks. I like to inspire people by bringing them together in building digital products or services through creativity and growth.

I am passionate in what I do. I feel comfortable in dynamic and constantly evolving work environments

My Life is based on 3 principles

- Work smart not hard
- Treat others how you want to be treated
- Never Stop Learning
